

ADAPTAWear

clothing for care

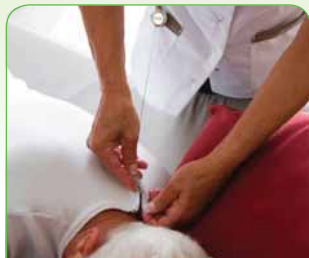

Designed to make dressing quicker and easier for wearer and carer

All-in-One Clothing

The All-in-One range is designed to make caring easier and more dignified. Not only are the garments comfortable, they are easy to wash and quick drying.

Preventing the ripping off of pads and catheters means significant cost savings on incontinence products and laundering.

The nursing blankets offer a kinder way of restraining patients and the 'Close-up' Fastener makes it impossible for the patient to disrobe as only the carer has the 'key'.

Unique 'Close-up' Fastener for body suits, pyjamas, blankets & sleeping bags.

Unisex All-in-one Pyjamas

Unisex, 100% interlock cotton pyjamas designed to enable dressing and toileting from a lying position. Zips on the outside go from the shoulder to ankle and between the legs. Zip end protection prevents the wearer from disrobing inappropriately. **Colour:** Blue

Sizes: Small, Medium, Large, XL, XXL

Code Md31925 £37.50 (ex vat)

Code Md31925CU with 'Close-up' Fastener £42.50 (ex vat)

Fabric Information

The material used in the 'All-in-One' range is extremely comfortable due to its micro-porous & breathing character. It has the ability to hold a reasonably constant temperature and does not absorb moisture, wicking it away from the body. The fabric is extremely hygienic as it is a whole fibre that does not absorb dirt and stops the spread of bacteria. It is flame retardant and very durable.

Zips have end-protection to help prevent inappropriate disrobing

Unisex Body Suit

This 100% cotton body suit can be worn as a vest or pyjamas.

Designed to make it easier and more dignified for nursing staff and carers with assisted dressing and toileting. Zips with end protection run down one side and between the legs enabling the person to be dressed and undressed from a lying position.

Nursing Blanket

This unique Nursing Blanket offers 'kind restraint' for restless patients whilst providing enough freedom for day and night comfort. It goes all around the mattress and there is the choice of long sleeves or sleeveless. It can be opened using the strong zipper from the neck to the feet which also enables the patient's toileting needs to be easily taken care of whilst they are in the blanket. The nursing blanket avoids the patients lying bare in bed and is therefore a hygienic nursing aid. The lower layer can be zipped off. The nursing blanket should be used with a side rail. This nursing blanket is available with the 'Close-up' Fastener which prevents the patient unfastening the garment. Please see washing and drying instructions below.

Washing Instructions

Washing Instructions for the All-in-One Range Clothes, Nursing blankets and Sleeping Bags.

Must be washed separately and it is preferable that they are also dried separately. Garments can be washed at 60 degrees on a short wash cycle and tumble dried for 5-10 mins on a low heat. No ironing required. Very strong and flame-retardant. We advise that any zippers are closed before washing. Do not use fabric conditioner as it will interfere with the breathing character of the fabric. Do not bleach.

Sleeping Bag

Sleeping bags are ideal for people unable to leave the bed independently or who have a tendency for picking and smearing behaviour. Available as a long-sleeved or sleeveless sleeping-bag it is made from a soft green stretch fabric. The long sleeved version has a V-neck and the sleeveless one shoulder poppers. Both have a zip from hip to hip enabling the patient's toileting needs to be easily taken care of whilst lying in bed. One size.

This sleeping bag is available with the 'Close-up' Fastener which prevents the patient unfastening the garment.

Close-up Key

Convenient fastener for our All-in-One clothing and nursing blankets. Prevents wearer from opening the fastener as only the carer has the key. The unique 'Close-up Fastener' offers a convenient solution to people who have disrobing or smearing tendencies. Extra keys can be bought for the carers. Choose from the Close-up key with clip on or the Close-up key with reel. The keys will only work with garments which are designed to use the key.
